Fundraising Ideas....

One of our 2008 goals is to increase funds raised to exceed FY2007 revenue by 2%. Goal for FY2008 \$14717. To meet this goal we are looking to our Friends group for some new and innovative ideas to raise money for the Bartow County Library System.

Contact Anne Henson at the library or any board member with your ideas. We would love to hear them.

Fund Raising Update:

Our only FY2008 fundraiser to date was the December 1st used book sale. We made \$1115 in sales which included the \$25 gift coupon won at the annual meeting. \$85 in member's dues were also collected at the book sale.
